

Mobility opportunities for Experienced Researchers

Individual Fellowship (IF) and Co-Fund

The Marie Skłodowska-Curie Actions (MSCA) –which is part of Horizon 2020 programme- foster innovation, research-business cooperation based on mobility. The MSCA support researchers irrespective of nationality or disciplines.

This 1 hour webinar will introduce the MSCA with a specific focus on the current open calls Individual Fellowship “IF” and “Co-Fund” Schemes which aim to enhance the creative and innovative potential of experienced researchers of any nationality and stimulate regional, national and international programmes to foster excellence in researchers’ training, mobility and career development. And it will be followed by 15 minutes Q&A.

The webinar is designed for interested applicants from the targeted regions with a special focus on applicants from widening and third countries. The lectures will be held in English. This webinar is free of charge. Space is limited, and attendance is on a first come, first served basis.
